Polyurethane Reactive (PUR) Glue

Our glued books are flexible and will lie flat while providing superior binding strength.

Photo-Quality Color Covers

Digitally-printed, full-color covers provide excellent color reproduction.

Extended Shelf Life

High-quality binder board is used for the covers and spines so they hold their shape.

Acid-Free Polyester End Sheets

Our polyester end sheets resist wear and tear, and won't yellow or fall apart.

High-Strength Polyester Thread for Sewn Books

High-strength polyester thread improves durability, and the book is still easy to open.

Unmatched Durability

Durable 2.0 mil nylon laminated covers improve strength and clean easily.
